

AFZAL HOSSAIN KHAN
PRESIDENT – URBAN INFRA
KALPATARU PROJECTS INTERNATIONAL LIMITED

Afzal has been in senior leadership position in infrastructure execution for more than three decades.

He is a veteran in metro rail industry having executed various metro projects at Delhi, Chennai, Kochi, Kolkata, Hyderabad, Bengaluru, Ahmedabad, Mumbai, Kanpur and Bhopal in addition to Mumbai Coastal Road Project, Mumbai Trans Harbour Link, several bridges for DFCC and MSRDC.

Mega Project execution comes naturally to Afzal.

He currently leads the Urban Infrastructure division at Kalpataru Projects International Limited. At Kalpataru, he is on a mission to set up a capable team to execute infrastructure projects and be part of growth story in Indian Infrastructure space.

A H Khan started his career in 1988 with Larsen and Toubro, after graduating in Civil Engineering from NIT, Rourkela and has handled projects from various infrastructure domains including building, highways, steel plants, hydro power plants, irrigation projects, bridges and metro rail.

He is member of Institution of Civil Engineers, London since 2011 and Alumni of INSEAD.

Mr. Khan is passionate about knowledge sharing, particularly with younger professionals. His initiative to develop training module for segmental erection had benefitted many a projects, this initiative of his, resulted in matching or exceeding world standards in segmental erection.

He actively collaborates with Employers to find best suited strategies for the complex projects.

He was instrumental in setting up "Tunneling Excellence Academy" in L&T, first of its kind in the country for capability and capacity building in Underground Metros. The academy is developing in-house talent and training innovative engineering minds to excel in the underground construction works.
